The Royal Flying Doctor Service (RFDS) provides 24-hour emergency aeromedical and essential primary health care services to more than 280,000 Australians each year – that's one person every two minutes.

The RFDS relies on bequests, fundraising initiatives and donations from the community to purchase and medically-equip its Pilatus PC-12 aircraft – at a cost of \$6 million each. Part-proceeds from the sale of The Tom Kruse Collection will help keep the Flying Doctor flying!
